# THE GT SKY LOFT

The big one! | Glamping on the car roof |  
The best two room family rooftop tent

SUV & Off-roader    Station-wagon    Compact-class    VAN & Mini-Van

For families who want to travel with a roof tent, it mainly comes down to it one thing: you need a lot of space. The GT SKY LOFT offers that like no other roof tent. GentleTent's flagship weighs only 49 kg and has space for 5 people. Thanks to the GT ONE VALVE TECHNOLOGY set up and take down can be done in 15 min. Multiple large windows give amazing panoramic views creating a great sense of space and nighttime stargazing. The tent can be divided into two rooms and can be entered on both sides when mounted horizontally. An optional awning offers additional storage space. The storm-tested GT SKY LOFT fits on cars, vans or trucks.

Great indoor climate thanks to breathable Polycotton material and large window openings with mosquito nets.

The gigantic interior has a volume of about 10 cubic meters (73 sq ft), the lying surface measures 340 x 190 cm.

The tent with a packing size of 168 x 146 x 16 cm fits almost all common vehicle types.

The tent is stabilized with telescopic ladders. One ladder is included in delivery.

The "GT ONE VALVE TECHNOLOGY", makes handling even easier and allows for quick inflation.

A UV-resistant outer cover protects bad weather and extreme heat or cold.

The GT SKY LOFT can be divided into two individual rooms, each with their own entrance.

The aluminum frame features integrated inner rails for modern, extra wide or paneled roof racks.

The usable area of the optionally available Awning has been enlarged to create even more space. Awning extenders available for large vehicles.
