Kiwi Energy Announces Partnership with Safe Streets USA an ADT Authorized Dealer

Kiwi Energy a leading retail energy provider of electricity and gas supply services for New York State, today announced it would be partnering with Safe Streets USA an ADT Authorized Dealer. The partnership will provide new and existing Kiwi Energy customers the opportunity to have a professionally installed ADT monitored wireless home security system by one of the most respected companies in the industry, Safe Streets USA. Kiwi Energy is also offering its new and existing customers who decide to install a system, an Ecogold credit that can be used towards any participating brand in the Ecogold Loyalty Plan.

Safe Streets USA is one of ADT's oldest and largest Authorized Dealers with consultants in 44 states and nearly 300 trained Installation Consultants across the country. Being one of the largest and most respected Authorized Dealers, their ownership and management team consist of a group of experienced and knowledgeable executives that are always abreast of the latest industry developments, products and technology. This dedication to providing their customers with innovative security products and services is also what sets them apart from the rest.

In business for over 142 years, ADT is a leading provider of security and businesses in the United States and Canada. ADT's broad and pioneering set of products and services, including ADT Pulse® interactive home and business solutions, and health services, meet a range of customer needs for today's active and increasingly mobile lifestyles. Headquartered in Boca Raton, Florida, ADT serves nearly eight million customers and operates in more than 200 locations with 20,000 employees.

"We are delighted to announce our partnership with Safe Streets USA and to offer our customers the advantages of having a best in class security system monitored by ADT. Here at Kiwi Energy we are continuously exploring new ways to expand our growing suite of value added products, a professionally installed and designed home security system by Safe Streets USA will make a great addition." -Richard Booth, President of Retail Operations, Kiwi Energy
