## Acadia 42 in. Installation

Outdoor Distinctions Fire Pit Kit comes complete and installs in minutes with these 6 steps.

**Step 1:** Choose a clear, flat area - 42" x 42"

**Step 3:** Place the second layer on top of the first, making sure to alternate the pattern.

**Step 5:** Place Fire Pit Bowl on top of the third row.

**Step 2:** To form the first row, lay each segment down to complete a circle.

**Step 4:** Repeat the third step, placing the third layer on top of the second, making sure to alternate the pattern.

**Step 6:** Place Grate in the bottom of Fire Pit Bowl, then set Ember Screen on rim of Fire Pit Bowl.
