Rahul Wahi, Agency Principal of LLT Group “Named #1 of 4, 2015’s Youngest Rising Stars of America’s Startup Scene”

FASTER. YOUNGER. STRONGER – Rahul Wahi, Agency Principal of LLT Group, Inc, one of the fastest growing startup’s in the space receives the highest accolade by being the youngest on the Rising Stars list of Inc. Magazine’s 2015 rankings. In October named #92, of the fastest growing private companies on the Inc. 5000 list, today Rahul Wahi has grown LLT Group to a pinnacle level of success.

When asked, “What drives you everyday and defines success for you?” he replied, *“It is not what I do everyday, but what the people around me do, that continues to drive me. I am blessed and humbled by the great clients, creative team and my right hand person, Creative Director, Anthony Zipparro. This is what gives me the fuel to break through the barriers that startups face with every breath we take every day. In the definition of success, it is not the rankings, spotlights, or even the pinnacles that define your success, but the people that you surround yourself with. With the goal in mind to give back, I work each day for someone else. Whether it be a team member, client, or a greater cause, it is what I believes keeps this aura around me,”* said Rahul Wahi.

LLT Group, Inc., a digital marketing agency, leading in the web design, development and search engine space, announces it is No. 92 on Inc. Magazine’s annual list of the fastest-growing private companies in the United States, the Inc. 500. LLT Group secured its spot on the prestigious list by producing a mind-boggling three-year sales growth of 3,560 percent.

LLT Group received further acclaim by Inc. as the noted business publication recognized the digital marketing agency as the 13th top advertising & marketing company in the United States as well as the No. 5 fastest-growing company in the Chicago metropolitan area and No. 4 in the state of Illinois.

About Inc. Magazine’s Rising Stars Article

With building a business today, many startups and even enterprise level have found better efficiencies by outsourcing. *When asked, “Why don’t you outsource for better margins?” “We don’t outsource anything. This is the country that gave my parents a chance to live their dreams.”* Read the full article at:
