SPREAD THE WORD, NOT THE VIRUS

Thanks for your support!

Abnormally helpful when things get scary.

We're here to help with whatever is needed—and right now, that's Personal Protective Equipment (PPE) without the markup. Fast, free shipping to anywhere in the United States so you can stay safe and shield the ones you love.

Help us get the word out!

Share a photo of you and your mask on social media. Make sure to tag us and use the hashtag #MonsterAid so we can get PPE to as many people as possible.
