2 KIDS 4 WRITE WRITE AKIDS AKI

A CREATIVE CHALLENGE DESIGNED FOR ASPIRING AUTHORS IN GRADES 4 – 8 WHERE PROCEEDS CAN BENEFIT THEIR SCHOOLS

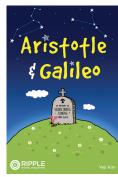

Kids Write 4 Kids is a creative challenge that selects stories from authors in grades 4 – 8 to publish as e-books. Over the last two years our panel of judges has selected six authors. Each author has their e-book available on iBookstore, Amazon Kindle and Kobo.

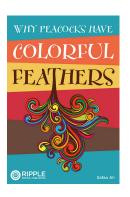

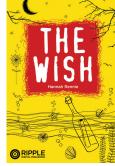

The 2014 Kids Write 4 Kids creative challenge is now accepting entries until March 31, 2015. All stories, prose, poetry, fact or fiction can be entered.

This year, net proceeds from all ebooks sold will be donated back to the schools of the selected authors. It's a win-win for everyone. Pass along information about this incredible opportunity to fellow parents and teachers. Encourage students you know, that have great stories to tell, to enter this challenge.

Entries are accepted online at **ripplepublishing.ca** and can only be submitted by the author's teacher, parent or guardian. Please visit **ripplepublishing.ca/rules.html** for complete rules and regulations.

Submission period ends March 31, 2015 Complete entry details are available at **ripplepublishing.ca**
