GreenSTOP US Brings “The Smart Dispensary” Experience to Los Angeles, CA

The World's First Fully Automated Dispensary

Flagship Automated Cannabis Dispensary in the Port of Los Angeles

Wilmington, CA – [December 2025] — Irie Vibes Inc. dba GreenSTOP known as the #SmartDispensary proudly announces the grand opening on **December 6, 2025 at 10:00** of its flagship location at **650 N. Broad Avenue, Wilmington, CA 90744**.

GreenSTOP sets itself apart as **The Smart Dispensary** — a fully automated, tech-driven retail experience designed to provide customers with a seamless, efficient, and enjoyable way to shop. With a focus on convenience, health education, and community, GreenSTOP combines modern technology with a welcoming atmosphere that reflects the vibrant spirit of Wilmington.

“Our mission is to make cannabis shopping simple, secure, and accessible for everyone,” said CEO and Social Equity Owner Tony Rumford. “GreenSTOP isn’t just a store — it’s a smarter way to connect with cannabis culture and celebrate Irie Vibes.”

The grand opening event will feature: Exclusive promotions and giveaways ; Community partnerships and local vendor highlights; and A first look at the **automated GreenSTOP experience**.

About GreenSTOP US

The GreenSTOP Dispensary is a “Joint Venture” between GreenSTOP Inc. an ancillary technology company and Irie Vibes Inc. a tier 1 Social Equity awardee in Los Angeles. This new category is a GreenSTOP product called Smart Dispensary. This smart Dispensary will be a Fully Automated Dispensary that utilizes GreenSTOP’S proprietary 4-User Vending machine, Mobile ordering app and management software.

Meet the Owners and Founders of Irie Vibes Inc.: Tony Rumford and Lynne Conner.
