Support Sisterz is a nonprofit 501(c)(3) organization comprised of breast cancer survivors who have a passion to empower women fighting the same battle. Our mission is to support women battling breast and gynecological cancers who live or work in Corona, Norco and Eastvale. Funds raised through Combat Cancer Walk have enabled us to help local survivors by paying rent and utilities, insurance deductibles, copay's, prescription fees, services not covered by insurance and second opinions. We also provide groceries, household needs, prosthetic bras, wigs and so much more!

Join us for team captain/bank night meetings at Mod Pizza 924 E. Ontario Ave. in Corona. Meetings are at 6:30 PM Wednesday Aug. 8th, Thursday Sept. 20th and Thursday Oct. 18th. Enjoy pizza, get forms and information, share fundraising ideas or turn in registration forms and donations.
