- Sheltered count decreased by 247 people
- Largest decrease on record over the last 10 years

Sheltered Count Analysis

Changes in safe haven capacity

- 2 programs closed over the last year with 21 beds

Changes in transitional housing capacity

- 3 programs closed over the last year with 37 beds
- 2 additional programs lost 50 beds over the last year

Changes in emergency shelter capacity

- 2 programs closed over the last year with 40 beds
- 1 program with 45 beds reported no longer serving as a shelter as of Jan 31

Unsheltered Count Analysis

Changes in permanent supportive housing capacity

- 2 new programs came on board over the last year

Targeted chronic outreach coordination

- Over the course of the year, street outreach was focused on connecting persons identified as chronically homeless in our HMIS to permanent supportive housing

Proximity of last Wed in Jan to 1st of the month

- Volunteer counters noted concern about persons receiving government assistance choosing to get off of the streets by using their income to secure temporary stays in motels or with friends and family
