ABOUT

Bringing hosting leaders together.

A three day gathering of the web hosting community, built on the success of the annual cPanel Conference. In 2019 we are excited to bring together the communities of the entire WebPros family in one amazing event! These software platforms have long overlapped and worked together, and will now enjoy a highly technical conference with the best people and the best networking events in the industry.

MONDAY
CERTIFICATION DAY
___

Expert training and certification

We're providing attendees the opportunity to receive certifications from a variety of companies in the hosting industry. The opening Monday of the Summit will include a day-long certification seminar from companies such as JetBackup, Imunify, LiteSpeed, Plesk, and cPanel!

TUESDAY, WEDNESDAY
SESSIONS

___

Over 30+ Sessions and Speakers

The speakers at our annual conference might be first-time presenters or 10-year veterans, but they are all sharing knowledge which they are passionate about. We believe offering a diverse mix of voices strengthens innovation and business success.

TUESDAY, WEDNESDAY

EXPO

Swag, Networking, Brand Awareness

The cPanel Conference has spent more than 10 years building a community of the people who use cPanel & WHM to build their business every day. This year we get to bring in WebPros robust community as well, making it easier than ever for companies that touch the hosting industry to reach their audience.

OPENING EVENT

Interactive, real-life games for adults

Our opening networking party takes us to The Painted Duck, a distinguished drinkery, duckpin bowling, and gaming parlor – where southern charm and camaraderie meet rivalry. Open bar all-night, Hors d'œuvres until 10 pm, and all games included.
