September 30, 2019 (Los Angeles, CA) - Vision Films Inc. ("Vision") is bringing the magic of Christmas to audiences in the US and Canada with the VOD and DVD release of *Elfette Saves Christmas*, an instant classic and the best new Christmas film of 2019. *Elfette Saves Christmas* is from Litewave Media and delivers fun for the whole family as the newest addition to the holiday season film milieu. Bringing new twists and characters to "finding Christmas spirit where you least expect it," the movie features Quinton Aaron (*The Blind Side*) as Santa Claus. The movie will be available on DVD and VOD platforms in the US and Canada on November 19, 2019.

Elfette Saves Christmas is the story of a not-so-ordinary elf named Elfette (Brielle Carter) who finds her vacation in Florida cut short when there's suddenly a Christmas emergency – Santa Claus (Quinton Aaron) has been kidnapped by the New York Mafia's crime boss, Little Georgie (George Vricos)! Elfette to the rescue! Upon arriving in New York City days before Christmas, Elfette finds herself lost in a human world she doesn't understand and with a lunatic elf-hunter named Ernest Killingsworth III (Zachary Vasquez) in hot pursuit. To save the day and prove herself an extra-special elf, she must team up with her best friend Sparkle (Aléa Figueroa) to save Christmas, Santa, and the elves before Christmas is ruined for the entire world!

Lise Romanoff, CEO and Managing Director of Vision Films says, "We are so pleased to introduce Elfette, the bravest Elf of them all to audiences in the USA and Canada. This message of holiday spirit is sure to make you smile and we look forward to adding *Elfette Saves Christmas* to everyone's 'Favorite Christmas Films' list!"

"I've always been inspired by classic Christmas films - they've left me with some of my fondest memories growing up and watching with the family. We wanted to create something with our team that paid homage to those films while also creating a new story for a younger generation of families," shares director and writer Christian Cashmir.

The film stars Quinton Aaron (*The Blind Side*) as Santa Claus, Kenneth McGregor (*XMen*, *Muppets Take Manhattan*), Brielle Carter, (*Love Hurts III*), Aléa Figueroa (HBO's *Ballers*), Zachary Vasquez (*Magic Mike*, *Baywatch*), and George Vricos (*Miss Peregrine's Home for Peculiar Children*).
