

For Immediate Release**PPC Flexible Packaging Announces the Appointment of George Rose to the Position of Executive Vice President and General Manager, Healthcare and Specialty Packaging**

Buffalo Grove, IL December 21, 2022 – PPC Flexible Packaging LLC, a leading provider of custom flexible packaging, announces the appointment of George Rose to the newly created position of Executive Vice President and General Manager, Healthcare and Specialty Packaging.

Effective immediately, Mr. Rose will assume the commercial and operations leadership role to drive the long-term strategic growth of the company's healthcare, cleanroom, reclosable, and specialty packaging business unit. In this role, he will have full P&L responsibility for one of the highest growth segments in PPC's portfolio and take a position on the company's executive leadership team.

Before PPC, George was most recently Vice President, Global Sales and Marketing at TC Transcontinental, working in medical and specialty markets. He has extensive experience in commercially orientated manufacturing environments, having demonstrated meaningful and consistent strategic business growth throughout his career. Mr. Rose will be officed from the company's manufacturing facilities in Buffalo Grove, IL and Pewaukee, WI.

Said Kevin Keneally, President, and CEO of PPC, "George is a recognized business and commercial leader who has proven success in building and executing strategic growth in our markets. I'm looking forward to working closely with him as we strive to exceed our customer's expectations for service, technology, and innovation in our healthcare and specialty markets."

About PPC Flexible Packaging - Headquartered in Buffalo Grove, IL, and fueled by GTCR, a Chicago, IL-based growth equity partner, PPC Flexible Packaging has steadily grown and evolved, both organically and through acquisition, into a premier Top 20 flexible packaging manufacturer. PPC is a dynamic team of design and packaging professionals dedicated to providing creative packaging solutions incorporating the latest technologies. PPC's people, along with its capabilities and speed-to-market service, have always been its greatest strengths – establishing it as a trusted leader within the consumer and cleanroom markets.
