

## **San Francisco Bay Area Fine Jewelry Retailer, BARONS Jewelers, Earns Diamond Partner Status with California Fine Jewelry Designer TACORI.**

BARONS Jewelers, located in Dublin, California, is pleased to announce that they have achieved the honor of becoming the West Coast's first and only TACORI Diamond Partner. Granted only to retailers who, according to Tacori "are exceptional representatives of Tacori," and who "have highly polished Tacori expertise to provide the best Tacori experience" to their customers, BARONS has truly set themselves apart from their San Francisco Bay Area and California competitors.

Tacori Diamond Partner status means that BARONS maintains one of the largest selections of Tacori engagement rings, wedding bands, and fashion jewelry in California and provides its customers with extraordinary personal service. The achievement demonstrates BARONS Jewelers' 50 year legacy of providing their customers with an exceptional jewelry buying experience.

Handcrafted in California, every Tacori piece available today at BARONS is the product of hours-upon-hours of personal attention by artisans dedicated to precise detail, including Tacori's trademark crescent silhouette: interlocking half-moon arcs which allow for the maximum amount of light to reflect the brilliance of the exquisite diamonds that adorn every item.

When asked about BARONS' Tacori Diamond Partner achievement, BARONS' president Ronnie Heller said, "It's certainly very exciting and achieved with an exceptional team effort. We are celebrating our 50<sup>th</sup> anniversary on April 1, 2017, continuing our legacy as the largest bridal jewelry retailer in the San Francisco Bay Area. Tacori is one of the premier jewelry designers in the country, and we are proud to offer our clients the best selection and service in California and the entire West Coast."
