Greetings, Keith Kravitz here, and welcome to this month's edition to the Grand Canyon Deal Sheet.

In this issue, I've been able to collect some of the hottest Grand Canyon tour deals on the Internet.

This month's biggest discount is the air-only helicopter tour from Las Vegas, which, when purchased online using the link from the Deal Sheet, gets you 50 percent off!

Speaking of online deals...per usual, these are online specials. In order to qualify for the Internet promotional rate, you've got to purchase the trip on the Web.
