Steamatic, Inc. Announces the Lindy Berry Memorial Scholarship Recipients

Fort Worth, TX, September 4, 2018

Steamatic, Inc., an international leader in restoration and cleaning services, is excited to announce the 2018 recipients of the Steamatic Lindy Berry Memorial Scholarship Program. The Scholarship Program was introduced in 2014 to honor the memory of Lindy Berry. Berry spent the majority of his professional career as Vice President and General Manager of Steamatic, Inc. His peers and colleagues see his accomplishments as an inspiring example of leadership, character, and integrity.

The scholarship program is designed to provide financial assistance to Steamatic franchisees, their children, and grandchildren who plan to further their education through college or vocational programs. Each of the recipients will receive a \$1000 scholarship.

“We are proud of our latest Steamatic Lindy Berry Memorial Scholarship recipients,” said Bill Sims, Chairman of Steamatic. “For one of them to be a repeat recipient is really special and two of them siblings to a new franchisee. Offering these scholarships in Lindy Berry’s name is one way that Steamatic is giving back to our franchise system by encouraging our Steamatic Business owners and their families to further their education and build for a brighter future.”

Steamatic congratulates the 2018 recipients and wishes them much success in their field of study:
