"...Lori, you have the voice of an angel. You are absolutely amazing." - **President Joseph R. Biden**

"Lori Williams is a special talent. She can seamlessly move from jazz to R and B where the listener can feel at home with her in either genre. It has been a pleasure working with her, as she has set the bar for vocalists to come. If you are not familiar with Lori Williams, check her out - you will not be disappointed!" - **Terri Lyne Carrington**

"From the very first note I played with Lori, I knew she was blessed with a very special gift. Her instincts and musical choices are just right and fill your heart with joy.... She gets it!" - **Nathan East**

"Lori Williams is a celebrated jazz singer with a voice smooth as silk with an endless list of credentials to celebrate her gift." - **Muse.World**

"Lori Williams' beautiful voice glides soulfully and effortlessly across a smooth and inviting rhythmic landscape with messages of abundance, joy, and affirmation." - **Dianne Reeves**

She's got a soft-edged, creamy voice that's a natural vehicle for introspection, but also one that you could happily curl up and get lost in. It's stunning, supple, subtle, sumptuous, soulful music—let's call that the five S's of Lori Williams, shall we?" - **Michael J. West**
