KaVo Kerr Carbides

PRECISION. QUALITY. VALUE.

Introducing KaVo Kerr Carbides. We've designed our Carbide burs to cut with excellence and ease. Our versatile portfolio offers sizes and shapes essential for achieving optimal aesthetic results. Fine cross cut carbides are designed to dramatically increase cutting efficiency while decreasing chatter, friction, clogging and chair time.

Our line of Operative, Trimming & Finishing, and Speciality Carbide burs will allow you to cut with precision and comfort all at a value. Precise results—every time.
