

Fact Sheet

COLLECTIVE BRAINS EXECUTIVE MENTORING CERTIFICATION COURSE

About the Certification The Collective Brains Executive Mentoring Certification Course is a hybrid online learning experience designed by the company's top mentors, in partnership with a team of digital education professors and researchers.

Course Description The course is delivered in 4 virtual live meetings and 5 units, each containing Masterclasses conducted by Collective Brains' CEO Silse Martell, utilizing ebooks, videos, references, quizzes, a final challenge, and assessments. The five units are divided in the following manner:

- Unit 1: Discovering your mentor profile
- Unit 2: Developing vital skills and behaviors
- Unit 3: Planning successful mentoring relationships
- Unit 4: Enhancing your mentee's learning experience
- Unit 5: Final Challenge

Definition of Executive Mentors

Executive Mentors are individuals who possess role, industry, or topic-specific expertise and are trained to share their experience and advice with less experienced professionals.

About Collective Brains *Launched in 2020, Collective Brains is an online global learning platform created by former Microsoft executive Cesar Keller and a group of Executive Mentors who came together from all over the world to collaborate and to disrupt the future of corporate learning. In addition to the Collective Brains Executive Mentoring Certification course, the company offers cutting-edge L&D solutions such as curation and monitoring of Personal Development Plans, AI-empowered Soft Skills programs, Internal Mentoring Programs, and Hybrid Learning Platforms.*
