

Considering a generator for your home or business?

Choose the Pyxis **AMP Generac** generator for \$0 up front!

How does Pyxis **AMP** work?

- No money is due up front.
- The Pyxis **AMP** solution is custom designed for your home or business.
- A low, fixed monthly reliability fee.
- Take advantage of competitive rates from nationally known electric and gas suppliers.
- Pyxis will own, monitor, and maintain the generator for the life of the agreement.
- Maintenance and repairs are never your concern!

Why choose Pyxis **AMP** for your reliability needs?

- Our generators guarantee you'll always have power, even during outages!
- **AMP** generators are monitored 24/7 to ensure they are always available.
- Pyxis brokerage helps you create a strategy toward energy savings and grid independence.
- Pyxis **AMP** generators are environmentally friendly, using clean natural gas or liquid propane.
- No complex utility relationships required.
- No customer financing required.

So . . . what are you waiting for?
