## ABOUT THE SUPERMARKET SORCERESS

Do you have a problem that needs fixing? A wish that needs granting? A desire for love, a need for protection, or maybe just great parking? Look no further than your local grocery store! Experienced psychic and high priestess Lexa Roséan offers spells for everyday occasions in this amusing, magically effective, and easy-to-follow guide.

*The Supermarket Sorceress*, originally published in 1996, is now updated with new and revised spells and a new introduction reflecting on the circumstances that inspired the original publication and launched the successful "Supermarket Sorceress" identity. By following easy rules—performing spells at a certain time of month, using simple grocery-store ingredients, with a specific intent—Lexa Roséan makes it possible for even the most inexperienced spell caster to successfully perform magic and get results.
