About Us

Vibcare Pharma is a growing pharmaceutical company, committed to increase access to high-quality healthcare by developing, producing and marketing affordable generic drugs in Indian as well as African, CIS and South Asian Markets.

The company focuses on providing high quality, affordable priced products to its customers and supports all these with dedicated customer service.

Vision

To become the leading pharmaceutical player in the industry by assuring high quality standards and cost effective products at all times. We want to mark our presence in the society by creating a portfolio of low cost medicines available to all.

Mission

To uphold our social responsibilities of delivering highest standard healthcare services to all segments of society without compromising on our core values of integrity, good ethics and commitment.

Quality Policy

We at Vibcare Pharma, commit ourselves to the continual improvement of Quality of our products, processes and systems in order to meet the enhanced and changing needs of customers.

We are an ISO 9001:2008 CERTIFIED organization. We offer high quality products that exceed our customer expectations. All our products are manufactured in WHO GMP & GMP Certified Facilities.

Keeping quality as a measuring unit of performance, our entire organization is designed to facilitate highest quality measures and maintain quality controls at all times.

1. Putting the safety of our products and our consumers first.
2. Putting consumers and customers at the heart of our business.
3. Adherence to environment, health & safety requirements.

Philosophy

We at Vibcare Pharma believe in providing low cost medicines to the society. We strongly believe in our Core Values and stay committed to them

1. Honesty and Integrity
2. Good Ethics
3. Optimism and Commitment
