### **BRC Acoustics & Audiovisual Design (BRC) Will Join Coffman Engineers**

Seattle acoustical firm introduces new service to Northwest clients and expands companywide capabilities

SEATTLE, Washington, August 24, 2023 – Multidiscipline consulting engineering firm Coffman Engineers, Inc. (Coffman) announced today that acoustical consulting firm BRC Acoustics & Audiovisual Design, Inc. (BRC) has executed a letter of intent to join Coffman. The companies plan to finalize the asset purchase agreement in September 2023. Coffman will welcome BRC's owner and five staff members to the company when the agreement is finalized. The decision to join Coffman is part of BRC's ownership transition plan for future retirement while supporting their staff and clients.

"I've been fortunate to have been part of BRC's 60-year legacy, and it's time for the next chapter. Coffman has similar business values, and I am confident it will be a good fit for my staff and our clients," said Dan Bruck, PhD, BRC Owner. "We have some of the same clients, project overlap, and are two long-established firms. We are also joining a growing acoustics team at Coffman and will support these services across the company."

BRC and Coffman's experience and markets align, particularly in hospitality, healthcare, housing, and education. This provides a foundation for a smooth transition of projects, clients, and employees. Coffman will offer a new acoustical service to Northwest clients and expand capabilities in performing arts centers, historic renovations, and specialized room acoustics.

"BRC has a rich 63-year history in Seattle, and their influence is heard on projects across the Northwest and internationally. We are fortunate to welcome this experienced team," said Arvind Nerurkar, PE, SE, Senior VP, and Seattle Managing Principal of Coffman. "We look forward to connecting with new clients and offering a new service to existing clients."

After the agreement is finalized, BRC, as Coffman Engineers, will continue to support clients and honor their project commitments with the same staff and quality. They will move to Coffman's Seattle office shortly after closing. The addition of BRC expands Coffman's acoustical group to 13 employees companywide.

## **BRC** | Acoustics & Audiovisual Design

### **BRC Acoustics & Audiovisual Design Will Join Coffman Engineers**

Seattle consulting firm expands Coffman's acoustical capabilities

- Seattle-based acoustical and audiovisual consulting firm [BRC Acoustics & Audiovisual Design \(BRC\)](#) has executed a Letter of Intent (LOI) on June 9, 2023 to join [Coffman Engineers, Inc. \(Coffman\)](#).
- BRC expressed interest in joining Coffman as their preferred transition plan as company ownership considers future retirement. A key focus of the transition is providing continuity for clients and employees.
- The agreement between BRC and Coffman comes after due diligence by both firms discussing the benefits and impacts of the opportunity.
- BRC and Coffman's experience and markets align, particularly in hospitality, healthcare, housing, and education.
- The addition of BRC expands Coffman's acoustical and audiovisual capabilities and resources in the Pacific Northwest and companywide.
- BRC will finalize an asset purchase agreement with Coffman with a target closing date in September 2023.

#### **After deal closing:**

- BRC President **Daniel Bruck, PhD, LEED AP BD+C** will join Coffman as a Principal Advisor.
- In addition, five (5) BRC employees will become Coffman employees. BRC staff will join Coffman's Seattle office.
- The addition of BRC expands Coffman's acoustical group to 13 employees companywide.
- After the deal closes, BRC (as Coffman Engineers) will support clients and honor commitments with the same staff and level of service. BRC clients will have access to increased acoustical capacity and additional multidiscipline engineering services from Coffman.

#### **Deal Milestones:**

- June 9, 2023 - Letter of Intent (LOI) Signed.
- August 2023 (TBD) - LOI Announcement.
- September 2023 (TBD) - Deal Closes.
- September 2023 (TBD) – BRC employees become Coffman employees.
- Post-Closing - Formal client communication about deal completion, assignment of contracts, and other business.
