HIGH QUALITY, DURABLE MATERIALS

Foam: Exceptional Shock Absorption

Dollamur Wrestling Mats are manufactured using the latest in athletic foam technology. This closed-cell, cross linked polyethylene foam provides maximum shock absorption. Our foam never hardens or shrinks, which allows it to retain its performance throughout the life of the mat.

Vinyl Surface: Durable, Treated with Antimicrobials

Our thick, durable 813 g/m² non-slip vinyl surface will never crack or peel. Specially treated with antimicrobials to guard against odor-causing microorganisms and microbial deterioration.

Bond: Indestructible

Our sophisticated bonding process literally fuses the vinyl surface and the foam to one another, for a permanent and indestructible bond.
