"I'm running to the nearest record store to get this one. Marlon's vocals are so honest and this bit of Americana rock 'n' roll southern style is really pulled across the finish line with Davey Johnstone's production and mandolin as well as the single note guitar lines that harken back to the days of great music, gone by."

Denny Seiwell (Original member of Wings)

Musicians on the album include **Marlon Hoffman**, **Davey Johnstone** (Elton John Band), **Bernard Fowler** (Rolling Stones), **Phil Parlapiano** (John Prine, Bonnie Raitt, Rod Stewart, Tracy Chapman), **Stephen Ferrone** (Average White Band, Tom Petty and the Heartbreakers), **John O’Kennedy**, **Major Wynn**, **Jon Poli** (Naked Eyes), **Jody Daley-Lovett**.
