Barbara and Scott Stokes Reach New Milestone with Habitat of Madison County GSH of Alabama, LLC's 2018 Support of Habitat for Humanity Surpasses \$100K

Huntsville, Alabama, August 17, 2018—Barbara Stokes, CEO, and Scott Stokes, COO, of Green Structure Homes of Alabama, LLC (GSH), a Huntsville-based Disaster Relief Construction Contractor, announce that total support in 2018 of Habitat for Humanity of Madison County has surpassed \$100K in retail value. This milestone has been made possible by recent donations of drywall, linoleum, and Hardie Fascia. The combined contributions will directly impact 43 current and future Habitat Home projects in the Huntsville area, with the remainder providing an indirect impact on many more through their sale in the Habitat ReStore.

"GSH is proud to support such a fantastic organization here in our local community," said Barbara J. Stokes, Chief Executive Officer. "Our entire team is looking forward to seeing the great work Habitat of Madison County will do this year and in the future." Habitat of Madison County's Construction Manager, Don Adams, added: "We appreciate GSH's support of the Habitat for Humanity ReStore and Habitat for Humanity programs in Madison County."

Founded in 2008 by Barbara and Scott Stokes, Green Structure Homes of Alabama, LLC is a Disaster Relief Contractor based in Huntsville, AL. GSH of Alabama, LLC offers a complete range of solutions to government and private sector customers, utilizing proprietary state-of-the-art design, engineering, and manufacturing techniques.
