GSH of Alabama, LLC Creates New Manufacturing Jobs in Six States Barbara and Scott Stokes Announce Job Creation Supporting \$28.5M Contract

Huntsville, Alabama, December 8, 2017—Barbara Stokes, CEO, and Scott Stokes, COO, of Green Structure Homes of Alabama, LLC (GSH), a Huntsville-based Disaster Relief Construction Contractor, announce the creation of new jobs in six states. These manufacturing jobs, located in communities in Alabama, Minnesota, North Carolina, Pennsylvania, Texas, and Virginia will support FEMA's recent \$28.5M contract award to GSH of Alabama, LLC. GSH is producing modular homes in each of these manufacturing facilities to support relief efforts following Hurricane Harvey and other recent natural disasters.

"GSH is excited to invest in each of these six communities," said Barbara J. Stokes, Chief Executive Officer. "By providing homes to those affected by these recent disasters, we can support local business and accelerate job growth in the areas surrounding our manufacturing facilities." Chief Operations Officer Scott B. Stokes added: "In addition to being able to provide unparalleled American quality, these facilities will enable GSH to quickly deploy our safe and innovative homes to the families that need them the most."

Founded in 2008 by Barbara and Scott Stokes, Green Structure Homes of Alabama, LLC is a Disaster Relief Contractor based in Huntsville, AL. GSH of Alabama, LLC offers a complete range of solutions to government and private sector customers, utilizing proprietary state-of-the-art design, engineering, and manufacturing techniques. GSH brings proven leadership to the industry. Barbara Stokes, CEO, and Scott Stokes, COO, along with senior management have over thirty years of combined experience in the Disaster Relief Industry.
