

I M R

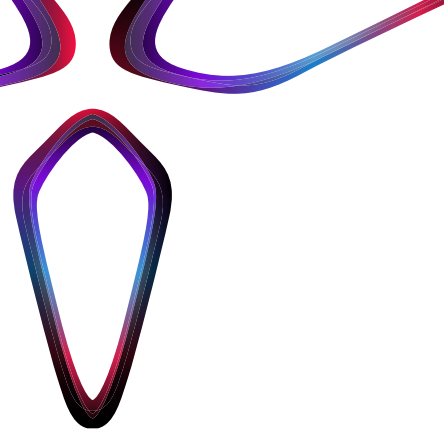

**A new chapter in audio**

---

## **Experience sound like no other...**

With the R1's unique driver set up you can experience your music like never before!

---

## Welcome to the IMR R1

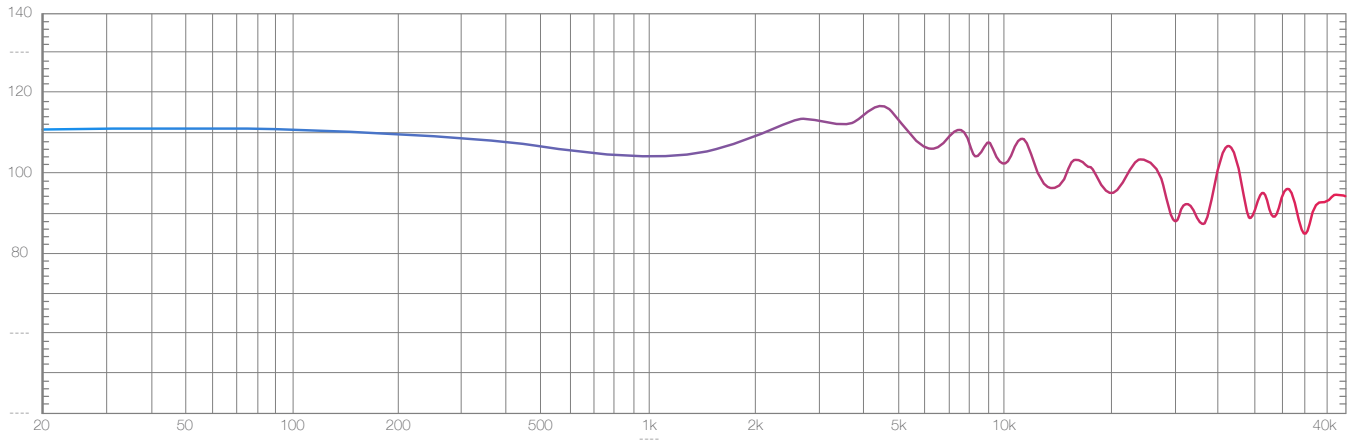

The R1 is unlike any other universal in ear monitor available on the market today. Tuned to perfection using IMR's custom 13mm Ceramic hybrid driver unit.

**3 YEAR WARRANTY**

**5 ACOUSTIC AUDIO FILTERS**

**SWITCHABLE OPEN AND CLOSE BACK**

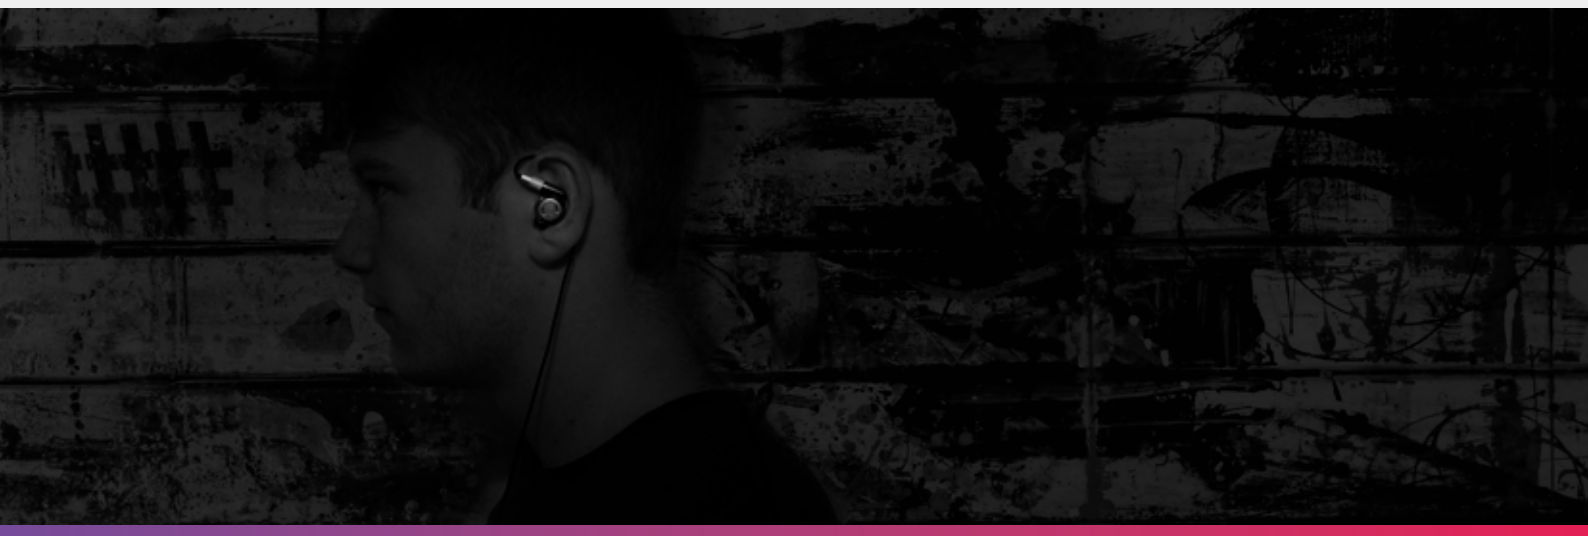

# Frequency Responce

## A message from the maker

This is the IEM I always wanted to create. Beautifully detailed, excellent tonal balance, superb instrument placement and a sound stage to die for.

-Bob
