Damiani Jewellers Welcomes New Master Jeweller to Their Design Team

Thanks to 33 years of experience in the jewellery industry, Jack brings an impressive repertoire of skills to a talented design team

WOODBIDGE, Ontario, September 20, 2018

(Newswire.com) - After spending nearly eight months in a small pop-up jewellery showroom, the team at Damiani Jewellers has settled back into their expansive newly-renovated location. However, this isn't the only change they've made in the past few months.

The Ontario-based jewellery retailer is also proud to announce a new addition to their design team. With 33 years of experience in the industry, Jack has worked in places like Greece, Lebanon, the United States, and of course, Canada. As a master goldsmith in his own right, he is especially skilled in diamond setting, refurbishing, working with estate jewellery, as well as performing estimates and appraisals.

Jack now works closely alongside Andrea Moco-Montanaro, the aftersales manager at Damiani Jewellers.

"As the person that clients come to with their damaged jewellery, Jack has proven to be incredibly helpful. It is so refreshing to know that he will never say no to a difficult task."
