NEUROPSYCHOLOGICAL ASSESSMENTS AVAILABLE: EARLY AUTISM TESTING (ADOS®-2)

NEW TESTING LOCATIONS: DEERFIELD, NAPERVILLE, AND ARLINGTON HEIGHTS

Our weekly in-person testing clinic has appointments open (within 3 weeks) for **18-month to 4-year olds**. Families should call us ASAP to schedule.

NEW: the intake, assessment & feedback now occurs on the same day for immediate answers. The ADOS®-2 is currently considered the “gold standard” in the assessment of ASD.

Insurance is accepted for Neuropsychological testing.

Dr. Greg Stasi, PhD
 Chief of Neuropsychology

Dr. Rhiannon Law, PhD
 Pediatric Neuropsychologist

Dr. Angel David, PsyD
 Pediatric Neuropsychologist

Questions? We can schedule a complimentary 15-minute call with one of our Neuropsychologists to determine if testing or referral for testing may be appropriate.

Families should reach out
ASAP to schedule.

Contact us to speak with our intake team, learn more, and schedule testing.
