

Shaping the Future of Golf

Modern technology for a traditional game.

“We’ve partnered with Teesnap because they’re truly committed to our success as a business and an industry. It’s a long-term, sustainable solution that we believe in.”

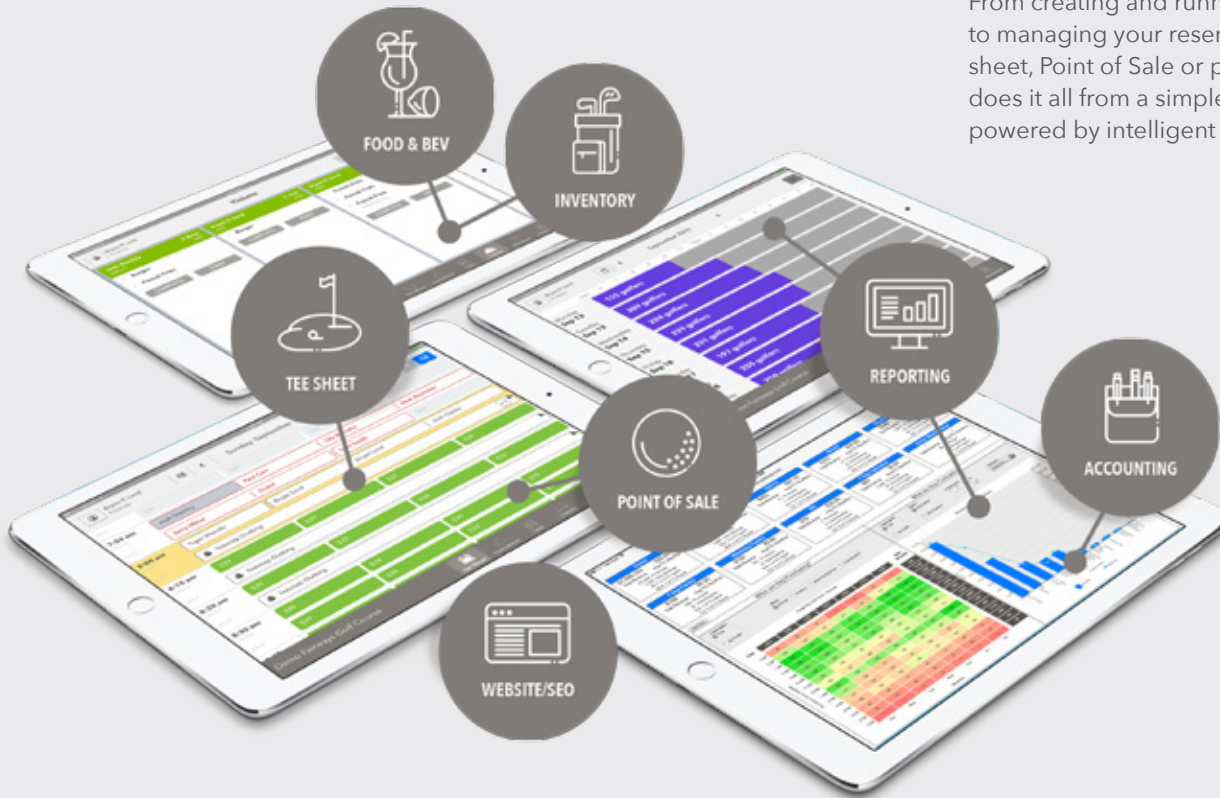

*Ed Lockard, Owner/Operator
Sanibel Island Golf Club*

MASTER YOUR COURSE

Teesnap is more than a technology tool—it’s a completely new approach to golf: intuitive, smart and powerful. We’re bringing an entire industry into the 21st century. As your technology partner we help you build a course that’s simple to run, easy to manage and capable of increased revenue, while opening up new opportunities for growth.

ONE SIMPLE CLOUD-BASED SYSTEM

No more juggling multiple software tools. From creating and running your website, to managing your reservations online, tee sheet, Point of Sale or pro shop, Teesnap does it all from a simple, mobile platform powered by intelligent analytics.

KNOW YOUR CUSTOMER, GROW YOUR BUSINESS

Collecting data at every touch point, Teesnap allows you to truly understand and market to your customer's purchasing behavior and preferences. Our Account Management team works with you every step of the way, from setting up your website to growing your online presence.

Connect all your course's data to automated email tools that drive more rounds and revenue. We help you market the right offers to the right people at the right time.

Let's talk about the future of your course.

To stay in the game, golf needs technology that improves courses while simplifying management. That's why we created Teesnap.
