## STATEMENT OF FUNCTIONALITY

### WhiteCanyon – WipeDrive 9.3.0 (CPA Configured)

#### 1. Handling Instructions/Security Procedures:

The certification of the Product is only valid when used in accordance with the Product's published Security Procedures, which are available from the NCSC.

#### 2. Product Versions:

The version of the Product evaluated is shown overleaf, however the latest available version of the Product should be deployed. In addition to the version evaluated, later versions of the Product are automatically covered by this certification (until certificate expiry date, as stated on the face of the certificate) provided the Product continues to be maintained in line with its Assurance Maintenance Plan, as agreed with the NCSC.

#### 3. Additional Points:

The "CPA Configured" version of the product should be used.
