

## Press Release: Pearl Academy goes live on SAP

### SAP Technology Partner "StraVis IT Solutions" transitions Pearl Academy, a globally renowned institution of higher learning on to SAP for growth and flexibility

San Jose, California, USA - November 16, 2015 - Pearl Academy, a renowned institution, which has completed more than two decades of empowering creative minds, went Live with SAP at the stroke of midnight on October 21, 2015.

The transition to SAP is the biggest process & system migration in Pearl, as they transitioned data and processes from the legacy system to SAP successfully.

*"The real value of SAP lies in its enterprise-wide integration, which helps achieve razor-sharp analytics, better & quick decision making, robust and accurate business information, improved financial reporting and simple easy-to-use interfaces."* said **Dipanjan Das, Director Operations and New Initiatives at Pearl Academy.**

He further added, *"We have spent a significant amount of effort testing the new system, verifying data integrity and smooth process flows. We also are providing extensive training to all internal users. Kudos to the entire project team for its sustained and unflinching dedication during turbulent and testing times and wading through them successfully."*

Dipanjan also went on to add, *"A special word of thanks to the StraVis team, who were our Implementation partners and they did a wonderful job. The energy and commitment of the team was praiseworthy"*.

*"With this Transition, we are one step closer to be amongst the leading global institutes in design, fashion and creative business education through continuous innovation, high quality standards and delightful experience to students, employees and industry partners."*

**Sudarsan Thyagarajan, Global Head - SAP Higher Education Practice at StraVis IT Solutions** said, *"Pearl Academy is a valued customer and we acknowledge and appreciate the opportunity given to us to work along with them on their journey to larger success. StraVis IT Solutions is committed to provide Institutions with the latest SAP solutions to enable seamless integration and achieve greater operational efficiency. We are delighted to partner with them as they move closer to be amongst the leading global institutes in design, fashion and creative business education."*

He further added, *"This has only been possible due to the tremendous support we received, not only from the Teams on the ground, but also from the senior management at Pearl Academy"*.

**About Pearl Academy:**

Pearl Academy (formerly Pearl Academy of Fashion) is a private higher education institute in India, offering undergraduate, postgraduate and diploma courses in design, fashion and business. It has been ranked Number 1 Design School (North India), and Number 2 Fashion School (All India) in the 2014 Edutainment Awards. For academics it has been ranked by Hindustan Times as Number 1 institute in India for 'Pedagogic Procedures and Processes' (2010) and Number 1 in 'Competence of Faculty' (2009).
