ABOUT US

Currumbin Wildlife Hospital Foundation was created to secure the future of our local wildlife. The Foundation directly funds the hospital and its vital work treating sick, injured and orphaned native wildlife for release back out into the wild.

The Currumbin Wildlife Hospital is one of the world's busiest wildlife hospitals, admitting over 11,000 patients every year, a service provided free of charge to the community.

WE NEED YOUR SUPPORT

Currumbin Wildlife Hospital receives no ongoing government funding and relies on community donations and support to help the hospital.

Community donations are crucial to help the hospital maintain the highest standard of treatment and rehabilitation provided to patients. This support ensures the hospital releases hundreds of native animals back into the wild every month.

FUNDRAISE FOR US

Passionate about wildlife? Choose Currumbin Wildlife Hospital as a 'Charity of Choice', request a community or school fundraising kit or create a certified fundraising page like Everyday Hero.

WAYS TO SUPPORT YOUR WILDLIFE

Follow us and share our stories on social media

Host an event to raise money for the hospital. Get together with friends, work colleagues or social group at a dinner, luncheon morning tea or sports day

Celebrate special occasions with donations instead of gifts

Participate in local marathons or fun runs selecting the hospital as your crowd funding choice to support the effort

Display gold coin donation box

Events check out our events page:

currumbinwildlifelhospital.org.au

Campaigns donate to Currumbin Wildlife Hospital Tax Appeal, Save Me, equipment wish list, holiday gift wrapping

Workplace For more information please email foundation@cws.org.au or call (07) 5534 0882

AVERAGE COST PER PATIENT IS \$90.00

DID YOU KNOW?

\$100 covers the cost of milk formula needed to hand raise an orphaned possum

\$400 covers the cost of repairing a turtle's broken shell

\$800 covers a fluid pump to hydrate sick patients

\$3,000 covers the cost of surgery to remove a hook from a pelican's stomach

\$6,000 would treat a Koala suffering from disease

\$30,000 will purchase a flexible Endoscope to avoid invasive surgery to remove plastics and hooks

SECURING THE FUTURE OF AUSTRALIAN WILDLIFE. YOUR LEGACY – THEIR FUTURE

Leaving a charitable bequest to Currumbin Wildlife Hospital Foundation in your will is a very special way to help Australia's native wildlife.

Whether your bequest is large or small, it will help us fund the veterinary treatment of sick, injured and orphaned native wildlife for release back into the wild.

Your legacy will be a lasting one, as these animals are released back into the wild to breed and produce future generations of wildlife.

Bequests of \$1000 or more received by the Foundation will be recognised with a complimentary engraved memorial paver.

This Walkways for Wildlife paver will be permanently installed in the pathways leading to the Wildlife Hospital as a lasting reward of your generous contribution.

A GIFT IN YOUR WILL CAN HELP US

- Continue to provide veterinary treatment to sick, injured and orphaned native wildlife
- Find a cure to devastating wildlife diseases such as those affecting koalas
- Provide education to school children and the public about conservation and caring for wildlife.

For more information, visit Bequests on our website currumbinwildlifelifehospital.org.au or call the Foundation on 07 5534 0882, or email foundation@cws.org.au

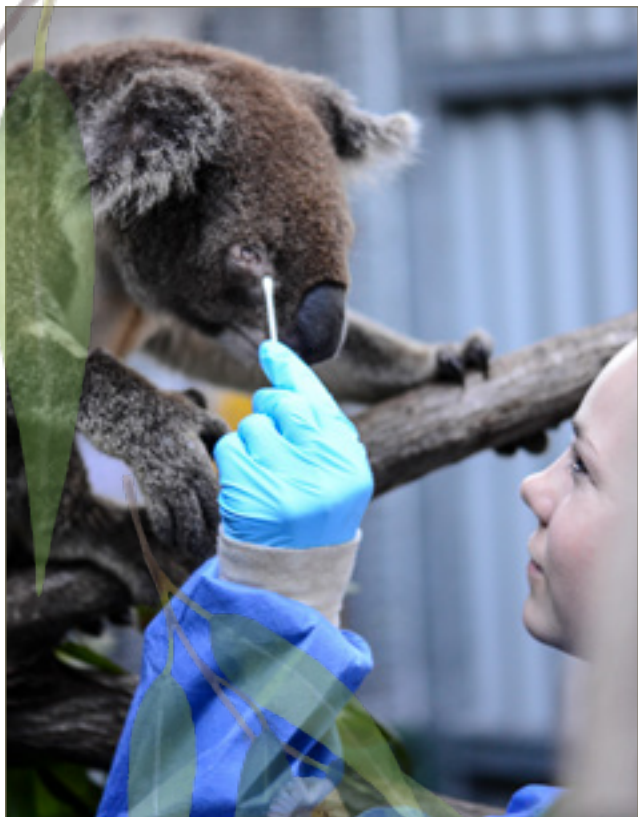

WALKWAYS FOR WILDLIFE

Engrave a special paver to be permanently installed on the path leading to the Wildlife Hospital inside the Sanctuary or the hospital front public entrance. This tax deductible donation to purchase a paver will remain as a lasting record of your valued support.

To order a paver, visit currumbinwildlifehospital.org.au select Walkways for Wildlife (Paver), or complete the attached form.

\$90 Small paver with a personal message

\$350 Business logo or large personal paver

TREE TO ME

For as little as \$10 you can donate a tree and help save our koalas!

A tax deductible donation to the Tree to Me program will help us continue to plant eucalypt trees in our plantations.

Our goal is to plant 10,000 trees every year to provide a continuous supply of fresh eucalypt for the wild koalas who come through the wildlife hospital for treatment.

To donate a tree, visit currumbinwildlifehospital.org.au select Tree to Me, or complete the attached form.

WILDLIFE HOSPITAL BEHIND THE SCENES TOUR

Join us for an exclusive tour in one of the busiest wildlife hospitals in the world!

Your group will be personally escorted around the hospital to learn about the medical care each animal receives, watch live surgery (if available), walk through our rehabilitation area to see the turtle pools, echidna enclosure, raptor recovery, koala recovery, water pond, and many more exciting areas the public do not get to access.

Cost: \$500 donation to the Wildlife Hospital includes (4) day entry tickets to Currumbin Wildlife Sanctuary.

Bookings: Book online CurrumbinSanctuary.com.au view Encounters & Experiences section, select Wildlife Hospital tour and select your preferred tour date.

FRIENDS OF THE HOSPITAL

Join a group of passionate members dedicated to being educated about the care and conservation of our local wildlife through the efforts of the Currumbin Wildlife Hospital. Friends of the Hospital are invited to meet the animals and experience the hospital, as well as attend an exclusive quarterly vet talk and other member benefits.

FRIEND OF THE HOSPITAL

Each membership level offers different benefits, get in touch for more information.

\$50 | \$250 | \$500

To become a Friend of the Hospital, visit currumbinwildlifehospital.org.au

BECOME A CORPORATE PARTNER OR SPONSOR

By becoming a Corporate Partner you will be helping to save countless lives. Your generosity will help us to ensure future generations have the opportunity to see our precious wildlife in the wild.
