

AN OFFICIAL PRESS RELEASE

## QRS MUSIC TECHNOLOGIES, INC. Debuts **QRS STREAMER** and **QRS Streamer Solo**, two Streaming Music Plans for player pianos.

QRS Streamer is a great way to enjoy and experience curated musical performances from hundreds of famous artists and thousands of tracks.

**Seneca, PA, June 23, 2023 - QRS Music Technologies, Inc. (OTC:**

**QRSM)**, a 123 year-old US based company and leader in the design, manufacture and distribution of piano and keyboard focused audio, digital and multimedia products, music, content delivery, piano technologies, Story & Clark pianos, and other digital audio accessories, unveils QRS Streamer, a new way of delivering content to our customer base and onboarding them to the QRS Connect platform and QRS TV channel.

The QRS Streamer consists of a carefully curated selection of songs from each genre and style in the QRS Music Library. Two plans are offered, QRS Streamer and QRS Streamer Solo. QRS Streamer has both Solo Piano offerings as well as Piano with Accompaniment and QRS Streamer Solo has of only Solo Performances. Each offering allows the user to mark tracks as favorites and gives them access to the QRS Connect and QRS TV platforms for additional control of their instruments, live streams and lessons.

QRS Streamer introductory pricing is \$115.00 per year for Solo Stream and \$235.00 per year for Solo + Accompaniment.

*"It seems that every second of our days are accounted for. Turning on your PNOmation should be a time out from the constant barrage of the day to day. QRS's Streamer pricing and variety makes it easier to choose your piano as an escape." said Thomas Dolan President & CEO, "We want to bring all player piano users, especially our customers back to playing and updating, and experiencing great content on a regular basis. QRS Streamer and the future release of our event driven specials and performances will help make this happen."*

*This subscription based package is the second such package offered by QRS, and the most economical.*

**QRS Music Technologies, Inc. (OTCB:QRSM)** is a leader in the design, manufacture and distribution of music technologies, pianos and piano accessories including, Pianomation®, PNOmation, PNOscan and music content for reproducing player systems for acoustic pianos, from digital to paper rolls. QRS is the creator of Pianomation®, the first MIDI system to combine analog and digital technology to turn any piano into a reproducing player piano. QRS Music was founded in 1900 and is based in Seneca, Pennsylvania. Additional information about QRS is available at [www.qrsmusic.com](http://www.qrsmusic.com)

### Forward Looking Statements

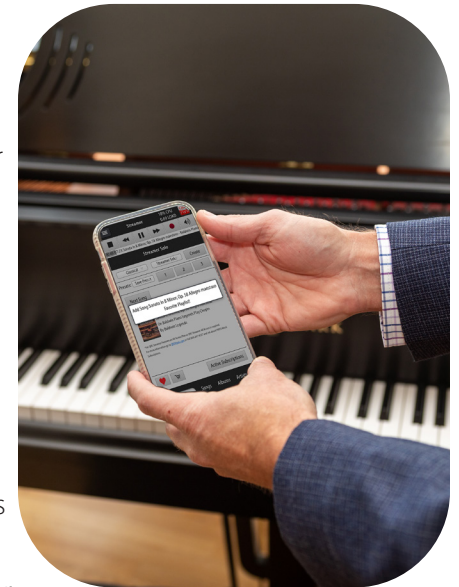

Statements made in this news release that relate to future plans, events or performances are forward-looking statements. Any statements containing words, such as, "believes," "should," "anticipates," "plans" or "expects" as well as other statements are forward-looking, and those statements involve risks and uncertainties outside of the control of QRS and are based on current expectations. Consequently, actual results could differ materially from the expectations expressed in these forward-looking statements.
