

FlexPrint Announces Strategic Investment From Oval Partners

PRESS RELEASE - JAN 16, 2016 12:00 MST

Positioned for Next Phase of Rapid Growth

FlexPrint, the nation's largest privately held managed print solutions provider, headquartered in Mesa, Arizona, today announced an investment from Oval Partners, a private equity investment firm based in San Francisco, California.

This new partnership will aggressively advance FlexPrint's strategy to support and enhance enterprise managed print services across its national footprint and paves the way for strategic acquisitions.

"A new and exciting era has begun at FlexPrint; however, we will continue to operate as we always have with an absolute focus on our customers and our unique company culture - the foundation of our success," said Frank Gaspari, CEO of FlexPrint. Gaspari continued, "The leadership team at Oval understands our space, our diverse client needs, and the significant opportunity ahead. Oval is the ideal partner for us, our clients, and potential acquisition candidates."

Oval Partners is a leading private equity investment firm that has an excellent reputation for systemically analyzing, structuring, and investing in information and technology enabled services. This strategic partnership between FlexPrint and Oval Partners is positioned for rapid national growth.

Jake Mizrahi, Oval Partners Managing Director, said, "We are excited about the opportunity to build upon FlexPrint's strong culture and proven business model. We look forward to working with Frank Gaspari and FlexPrint's leadership team to help accelerate their growth strategies and create a model acquisition platform based on FlexPrint's solid historical performance in serving enterprise level clients."

About FlexPrint

FlexPrint was founded in 2005, and has become the nation's leading privately-owned enterprise for Managed Print and Technology Services. FlexPrint's managed solutions and expertise streamlines business work-flow for corporate, regional, and remote locations under a single national service level agreement. This blend of consultative service and solutions encourages client growth through consistent work-flow with proactive customer service, a boost in employee efficiency, and driving costs out of business operations.
