

An aerial photograph of a coastal town, likely Manly in Sydney, Australia. The image shows a dense residential area with red-tiled roofs, a harbor filled with numerous white sailboats, and a sandy beach. The ocean is a deep blue, and the sky is clear. The town is built on a slight incline, with buildings and streets visible. The harbor is a prominent feature, with many boats anchored in the water. The overall scene is a vibrant and scenic coastal town.

MIH

Manly
Innovation
Hub

MIH is the booster fuel to grow and develop enterprises with global ambitions.

We are based in Manly in the Northern Beaches region of Sydney, Australia.

MIH is a Not-For-Profit organization.

TURNING IDEAS INTO SUCCESSFUL VENTURES

The Manly Innovation Hub (MIH) is being formed by people who are passionate about harnessing innovation to ensure the Northern Beaches area of Sydney will grow and prosper.

MIH has a core mission to challenge the status quo and in so doing create new markets and companies.

The Manly Innovation Hub develops entrepreneurs, propels them toward success, and accelerates the growth of early-stage ventures. We can do this through:

Skills development

Connections

Capital

The MIH will focus exclusively on new ventures that are characterized by an ability to scale and designed to be capable of raising capital. MIH does not have a role in assisting people to start lifestyle businesses.

PROGRAMMES

Our programmes are designed to prove the commercial potential of innovative or disruptive models.

VENTURE ACCELERATOR

The core offering

A 12 week programme designed for startups that are characterized by an ability to scale (globally) and whose commercial potential is attractive to investors (angel and VC). Note: MIH does not have a role in assisting people to start lifestyle businesses.

VENTURE ACCELERATOR

YOUTH

Compressed timeframe

Similar to the core programme, however runs over a compressed timeframe of 6 weeks and designed for people 16-24. Generally will run separately for High School (16-19) and University students (20-24).

VENTURE ACCELERATOR

FEMALE FOUNDERS

Structured for a corporate sponsor's specific objectives

The core programme specifically for teams led by female Founders.

VENTURE ACCELERATOR

CORPORATE

A structured process to capture corporate innovation

The core programme delivered inside a corporation or government entity. Starts with a process to uncover ideas from your staff for disruptive products and services. The best of these ideas are then applied in the Core programme to rapidly build, test, validate and experiment with new approaches and technologies.

VENTURE ACCELERATOR

OVER 50S

Structured for entrepreneurs over the age of 50

The core programme specifically tailored for the over 50s demographic.

VENTURE ACCELERATOR

CUSTOMIZED

Structured for a corporate sponsor's specific objectives

The core programme specifically tailored for an organizations objectives.

VENTURE ACCELERATOR

RESEARCH

Structured to focus on an R&D theme

A completely tailored programme that focuses on an R&D theme for an organization.

MANLY INNOVATION HUB

Manly is the gateway to the Northern Beaches and is regarded by the Greater Sydney Commission as a “Strategic Centre”.

The Manly Innovation Hub has been designed to be complementary to existing businesses servicing entrepreneurs and startups while adding a strategic capability that strengthens the economy of our region.

Sponsor partners are needed who share our vision and wish to participate in the Manly Innovation Hub project.

BACKSTORY

HOW DID MANLY INNOVATION HUB START

**MIH Founder
GREG TWEMLOW**

Greg Twemlow is an accomplished CEO with a passion for technology, people and market success. Technical depth + business savvy + creative flair is a powerful formula enabling me to genuinely move-the-needle.

I've long thought that Manly and the Northern Beaches of Sydney are the perfect location for a venture accelerator. Since I first Posted the idea on LinkedIn, there has been an inspirational level of interest.

....and I live in Manly, Australia
