FOR IMMEDIATE RELEASE: September 11, 2019

Ventura, CA (September 9, 2019) – The nation’s largest wedding provider gives back to Ventura County with a new appreciation program: \$750 ‘Wedgewood Weddings Cash’ for First responders and their immediate families.

Wedgewood Weddings is rooted in Ventura County, having called it home since 1986. The company always strives to support its local community by giving back. That’s why it’s proud to announce it will offer \$750 in ‘Wedgewood Weddings Cash’ for local first responders and their families. The extra cash can be used to enhance their wedding or special event, creating a fun and memorable experience for all.

‘Wedgewood Weddings Cash’ is now available at their two Ventura County locations - Sterling Hills and Pacific View Tower Club by Wedgewood Weddings - for all eligible clients who book a wedding or event by August 31, 2020 and celebrate before December 31, 2020.

The impetus for this program is helping a community that has suffered environmental devastation. First responders rush to the heart of every tragedy and it’s their touch that helps so many local families continue to smile no matter what they’ve endured. By offering \$750 ‘Wedgewood Weddings Cash’ to local First responders, Wedgewood Weddings wants to help spread love and happiness in a community that is still rebuilding.

*“We’ve called Ventura County home for decades, and we’re so appreciative of the tireless efforts by local first responders. This appreciation program is our way of demonstrating our thanks. It’s been a tough*

*few years for our community, and we want to continue to give back to this incredibly deserving group”*  
says Wedgewood Weddings President, Bill Zaruka.
