

MISS Arc BROWARD

A Pageant to Empower Young Women with Disabilities

2020 MEDIA KIT

About The Miss Arc Broward Pageant

The Miss Arc Broward Pageant is a one-of-a-kind pageant that empowers young women with disabilities (ages 6-17). It is produced by Arc Broward, a south Florida based non-profit organization. For more than 64 years Arc Broward has worked to change how people with disabilities and other life challenges are embraced and included. This critical work ensures that people with disabilities, not only live, learn, work, and play in their communities, but more importantly, thrive.

This year is particularly special because it is the 30th Anniversary of the American's with Disabilities Act, a meaningful milestone and part of the next wave of change in the disabilities rights movement. For the first time ever we will be hosting the pageant virtually and featuring contestants from around the country. This means we can reach an even larger national audience and help change lives and change perspectives across the whole United States.

The show will feature various talents, personality and evening wear presentations. All proceeds from the event go towards helping children and adults with disabilities and other life challenges.
