
BARONS Jewelers Customer is the First Winner of \$20,000 in TACORI Jewelry!

Tacori's Flagship Campaign "Love Tacori" Runs Through December 31, 2019 and Will Award Four More Winners

Dublin, CA, September 5, 2019 (Newswire.com) - **BARONS Jewelers**, of Dublin, California, is proud to announce that the first winner of LOVE TACORI, **Tamberly Stone**, will be awarded \$20,000 in Tacori jewelry after shopping at BARONS during a weekend getaway with her husband!

Tamberly visited Tacori's Diamond-level Partner, **BARONS**, in Dublin, CA and tried on Tacori's new selection of Anniversary Bands during a weekend getaway with her husband when she entered the LOVE TACORI contest in-store.

When notified of being chosen as the first LOVE TACORI winner, Tamberly said:

"I am sitting here crying! I can't believe it! My husband and I stopped by BARONS on our first overnight trip since before our son was born; he is three. Those 28 hours away together was magical and refreshing.

Little did I know just how magical trying on anniversary bands would be! I love my Tacori wedding set and now I can get my anniversary band and get my daughter something special for her 16th birthday that is a few weeks away.

I am so speechless! Thank you so very much!"

Tacori and BARONS are honored to be part of Tamberly's #LoveTacori story!
