- The 2019 Oscars, which took place on February 24th, was a spectacular affair to witness. Although the celebrities in their dresses and suits were surely a beautiful sight to see, their statement-making jewelry pieces were hard to look away from.

Esteemed jewelry designer [Hearts on Fire](#) was one of the biggest names in the industry to look out for, as stars like Rita Ora, Paris Jackson, and Laura Marano took to the red carpet with earrings, necklaces, and rings made by the brand.

A recurring accessory theme for the night was “more is more,” as many A-listers turned up the drama with lengthy chandelier [earrings](#), diamond [chokers and collars](#), and stacks of sparkling bracelets. This motif falls right in line with Hearts on Fire’s characteristic diamond-studded style, allowing fine jewelry enthusiasts to sport similar looks for their own events and galas.

For those who want to don the celebrity look for themselves, look to the [Lorelei Chandelier Diamond Earrings](#) worn by Jane Seymour on the red carpet. This diamond-studded set, as well as many other pieces from Hearts on Fire’s vast selection of jewelry, can be found at Long Jewelers’ showroom in Virginia Beach.
