## “Veterans Can Finally Get Discounts That 99% of American Companies Offer Using New Military Veteran ID”

**Aliso Viejo, CA**-August 5, 2016-Veterans can finally get hundreds of discounts by using a new ID card made by **Military Veterans ID** through their web site: **www.DD214ID.com**. For many years almost every American company has offered our Military Veterans discounts, usually a minimum of 10% off, but **there was a catch**. Our Veterans had to show an (photo) ID card to receive the discount, except there was nowhere for a (non-retired) Veteran to get a photo ID.

Places like Home Depot, Lowes, Disney World Resorts/ Disneyland, Marriot, Best Western, Ramada, Advance Auto, Meineke Auto, American Airlines, O'Reilly, Barnes & Noble, and Red Robin all offer discounts, just to name a few companies.

Enter **Military Veteran ID, LLC**, ([www.dd214id.com](http://www.dd214id.com)), a new private company that makes custom plastic photo ID cards one at a time, only for Veterans.

Veterans simply get out their DD214 document (with their SSN and DOB blocked out), make a pdf copy and have a head photo taken (with a smartphone). These two files are uploaded during the Order process. They verify the information, and fill-in the new ID card along with the photo. They accept all major credit cards and Pay Pal for payment; that seems to be a reasonable \$14.95. Then, in about a week, the credit card sized ID card comes in the mail to the Veteran. Easy-peezy, as they say.

Our Veterans can now enjoy all the fabulous discounts offered to them just by showing their new [www.DD214ID.com](http://www.DD214ID.com) card. On their website Military Veteran ID has lists of most of the hundreds of major companies offering discounts. They tell me it is not a complete list and they are always adding companies.

(Note: For those who may not know, the DD214 document is an important separation paper given to every person leaving the military.)

Robert L from Jacksonville, NC is a happy Vet using his new card: “I went to my Home Depot and was ordering new kitchen cabinets. I showed my new Military Veteran ID card and they happily offered me 10% of my entire purchase, on the spot! Wow. And I was proud I was recognized as a Marine Vet”.

Now, any Veteran can get an ID card through **www.DD214ID.com** and proudly SHOW his or her card and ASK: “Do you allow for a Veteran Discount?” According to Military Veteran ID about 99% of the time the answer is a gracious and grateful, “YES!”
