

BEAUTIFUL SMILES ARE JUST THE BEGINNING

# Healthy Start Lecture Information

## Dallas, TX

October 14-15, 2016

Here is some important information to help you prepare for the training:

Your registration fee covers all training costs for you and your team members. We are PACE accredited and you will earn 16 hours of CE credits for the two days. We encourage you to bring your entire staff. If you are unable to bring your entire team, have your office manager and a key team member attend, who will champion Healthy Start in your office. We have found that doctors who bring their entire team have more success in transitioning the Healthy Start into their practice and starting cases right away.

All necessary training materials will be provided for you and your team members.

Please email us at [info@thehealthystart.com](mailto:info@thehealthystart.com) if you have any questions.
