### Three Plans for the Ultimate Payment Flexibility! Something for every pocketbook size!

#### Option 1: Maximum Saving

**Pay in Full  
lowest cost  
\$2,024**

If you are making a full payment then you just pay \$1,974 for tuition plus our normal \$50 enrollment fee. We include your textbooks and shipping anywhere in the USA! Imagine- a full diploma, 13 online classes, real teachers and modern textbooks for this cost!

#### Option 2: Zero Interest Payment Plan

**Pay Plan  
\$710 down  
\$2,150 total**

With this plan you pay \$710 (1/3) down then make 6 monthly auto billed payments of \$240 each. We will include and order all of your textbooks shipped anywhere in the USA and you can start classes the same day you make your down payment!

#### Option 3: EZ Pay as you go

**EZ Pay  
\$320 to start  
\$2,318 total**

\$320 to get started! That covers everything for your first two classes, including enrollment fees, books and domestic shipping. After that pay for classes as you progress. No financing contract required, no other fees or special charges. We will even lock you in at \$54 a credit hour for 2 years or until you complete your diploma- whichever comes first and books are still included!

- Can't decide?
- A little short on cash this month?

Get started *now* with the first two classes. We will offer this to you again a couple of weeks before you finish your first two classes! If paying by check or money order, call us at (209) 390-8076 extension 111

**Transfer your Credits!** If you are an existing student of NHC, or if you took A and P at a US Department of Education Accredited school call us about transferring your credits to this program

**Get Started today!** Your exciting and profitable future starts tomorrow!
