

The popular supplement to help prevent urinary tract infections (UTI) in dogs and cats.

D-Mannose with Cranberry

Urinary Tract Health Supplement

FEATURES

- Helps to prevent UTI's
- Can be used for pets with diabetes
- A form of sugar consisting of one molecule, that occurs naturally in the body

Urinary tract infections (UTIs) are becoming a greater risk due to Glucosuria (glucose in the urine). D-Mannose is a known dietary supplement used for preventing UTIs. Best if given before bed time or as directed by your veterinarian.
