# Step1, launch FlipBook Creator, click “Demo” to open the interface

The screenshot shows the FlipBook Creator software interface. At the top left is a logo of an open book on a tablet. The title "FlipBook Creator" is centered at the top, with "Copyright by flippagemaker.com" on the right. The interface is divided into three main columns. The left column contains "Recent Projects" (love, Project3, Christmas-Eve, Christmas2\_Neat, christmas, Open...) and "Recent Outputs" (profesional-magazine-maker-demo, New folder, Pure-Love, christmas-eve, Christmas, Open...). The middle column is titled "Create New" and contains three buttons: "Create New", "Demo", and "BookCase Demo". The right column is titled "Online Service" and contains "How easily share your books online" and "Login(Manage your books)". Below this is a "Support" section with links for "Contact us", "FAQ", "About", and "Check for update". At the bottom left, there are links for "Help document" and "Home Page". At the bottom right, there is a "Pro" badge and a "Update to Flip PDF Professional" section with the text "Upgrade to Professional version to get more features, Upgrade Now!".

# Step 3, add bookmark tabs

For more information: <http://flippagemaker.com/>

# Step4, Apply Change to save the setting

The screenshot displays the 'Quick Start of FlipBook Creator' interface. At the top, a navigation bar includes a search icon, navigation arrows, a page indicator '6 - 7/16', and icons for print, email, help, and zoom. A red circle highlights the 'Quick Start' button in the top-left corner. The main content area features a central title 'Quick Start of FlipBook Creator' and four steps:

- Step1**: Import a PDF
- Step2**: Select any template your favorite
- Step3**: Settings for new style
- Step4**: Convert To Flipping Book

A central document icon labeled 'Page 6' is positioned above a sequence of four circular icons connected by arrows, illustrating the workflow. The first icon shows a PDF import dialog, the second shows a template selection screen, the third shows a settings panel, and the fourth shows the 'Convert To Flipping Book' button. The interface also includes a 'Thumbnails' panel on the left and a status bar at the bottom with 'Auto Flip', 'Sound On', and 'Social Share' options.
