“Artists are more profitable when they are living creatively & loving what they do,”

-Ernestine Johnson

**Ernestine Johnson**, a Temple University graduate with a Bachelors of Science in Chemistry (ACS), brings strong representation to the brand imaging business. She is a true sales rep with a strong intensity for success.

Born and raised in Philadelphia, PA. Ernestine’s mission is to be an advocate for visual artists (Directors/Photographers/Stylist) with creative integrity and individual, idiosyncratic vision. With over 17yrs of experience as a model, make-up artist, director’s assistance & stylist assistant, she sees the job of relating with clients as being an articulate creative spokesperson in the entertainment business. Her clients range from new & established production companies to small boutique houses. In this spectrum, she enjoys their flexible thinking, adaptability and trust while forming strong relationships with customers. Ernestine believes in a team effort on all projects and adores the fact that each artist has their own unique style and they are on the cutting edge of technology & artistic design.
