Serving Alameda, Santa Clara, and San Mateo Counties

**OUR MISSION:** To cultivate or restore a sense of hope, self-confidence and community to people impacted by substance use and mental health challenges by providing effective trauma informed prevention, treatment, and recovery services.

## WHO WE ARE

Horizon Services Inc (HSI) provides alcohol, drug, and mental health related services to adults and adolescents. The adult and youth treatment programs at HSI are evidence-based and serve as a safe environment for understanding and addressing substance use and mental health-related issues that prevent people from reaching their full potential. HSI's prevention program helps youth develop healthy relationships and live substance-free lives. In addition, HSI works in the community helping families, businesses, and public agencies recognize and develop responses to these issues which create safer and healthier neighborhoods.
